# NEW HOLSTEIN UTILITIES/WPPI ENERGY HIGH SCHOOL SCHOLARSHIP PROGRAM

## Scholarship Information

New Holstein Utilities (NHU) and our wholesale power provider, WPPI Energy, are pleased to offer three \$500 scholarships to members of the current year's high school graduating class. Both utilities are proud to support students in their pursuit of post-secondary education and job training.

## Eligibility Requirements

1. The student must be a member of the current year's high school graduating class.
2. The student's parent(s) or legal guardian(s) must be a customer of New Holstein Utilities.
3. The student must be attending either a 2-year technical program or a 4-year university. The student will have 1.5 years from their graduation date to use the scholarship.

## Selection Process

1. The recipients are chosen at random via a drawing. The drawing will be held after 3:00 p.m. on the first business day after the scholarship due date.
2. A utility customer, not employed by the utility or the city, will make the random selections. The customer will sign a certificate of participation in the selection process.

## Scholarship Award and Payment

1. The scholarship recipients will be announced at the students' high school scholarship awards program.
2. The scholarship will be paid to the recipients following completion of their first semester of study at their post-secondary school. Students must present to NHU a copy of a fee statement or other proof of enrollment (i.e. class registration) for the second semester in order to receive their scholarship.
